

# Letter from the President

Welcome to the South Stormont Minor Hockey web site. My name is Paul Huntley and I am the new president for SSMHA. First I will take the opportunity to thank Rob Filliol our outgoing president for the countless hours he put into the job and for the guidance he has given me in this new endeavour. Your continued support is a great asset to this association and is most appreciated. Secondly I would like to thank the executive members themselves for pointing me in the right direction and being an invaluable, and integral part of the success of this association.

Our mission this year as in every year is to encourage and promote fun in the game of hockey. This is fundamental at each level of our association. The volunteers, coaches, managers, and trainers all understand this premise and try to encourage it. Thanks to them this association has what I consider to be a great reputation for fair play and respect.

As president I hope to guide this association on its continued path towards making better hockey players but more importantly better citizens for our community. Thank you to the hockey community for their support and lets have a great year.

Thank you for visiting our web site and come again.

President; Paul Huntley
